On the onset of celebration of Swachha Himachal Abhiyaan, the cleanliness drive was held by the NSS Wing in collaboration with the Rover Ranger Wing in the college campus and the vicinity on 9/8/2021. The motto was **"Green is clean; clean is health; health is precious."** In this event, wild plants & shrubs were uprooted, plastic & other non-biodegradable waste was burnt and rain water collected in pools was cleaned. The objective was to evade diseases like scrub typhus and other bacterial and viral diseases. Furthermore, the students were made aware of keeping the surroundings clean and green in the contemporary tough times of Covid-19.

The NSS and Rover & Ranger volunteers today with the objective of cleaning the campus inside out did the sweeping and mopping in the labs, class rooms and faculty rooms. The NSS volunteers also collected the previous years' assignment files and notebooks and made new notebooks out of the unused papers left in them. These were distributed among the needy students to be used in the new academic session. The used papers were stacked to be sold in order to be recycled as paper packets & envelopes.
