## About the Conference

Lofty mountain ranges from North East to North West are rich in biodiversity and also strategically important from an Indian perspective. The people residing here are hard workers, honest, God-fearing, and environment-friendly but the recent influence of Western culture and mega-development projects poses a challenge to the pristine environment of this region. This conference would examine many critical areas of environmental concern and suggest measures to mitigate the burning issues of the environment which are essential for sustainable development for the present and future generations.

**Thrust Areas of the Conference.** The research papers/posters are invited on any of the following sub-themes:

1. Himalayas – Past, Present, and Future
2. Art, Culture, Customs, and Traditional Knowledge related to the Environment
3. Education and Environment
4. Pollution and Climate Change
5. Biodiversity Conservation
6. Natural Resources and Sustainable Development
7. Ecosystem Management
8. Impact of Tourism Development and Environment
9. Anthropogenic Activities and Environment
10. Water Conservation
11. Infrastructure Development & Environment
12. Floral and Faunal Diversity
13. Poverty and Environment
14. Eco-critical Concerns in Literature
15. Overview of Government initiatives for the conservation of environment in Himalayan Region
16. Any other related theme regarding environment will also be considered.

Original research paper(s), case studies supported by recent data covering one or more of the themes are invited for presentation in the seminar.

It is the sole responsibility of the author/ presenter that the abstract/full paper must be **plagiarism free** before submission.

**Guidelines for Submission:** Participants are requested to send abstract, not exceeding 300 words, on the email: [naacjukhala@gmail.com](mailto:naacjukhala@gmail.com)

**Specification:** Font -Times New Roman, KurtiDev  
Title- Font size 14 (Bold) for English and 12 (Hindi)  
Author(s), address and email: Font size 12, 10 (Hindi)  
Abstract along with five key words: Font size 12; 10 (Hindi)

**Guidelines for posters:** Participants are requested to prepare posters in standard size format of 1Metre x 1Metre.

The selected participants will be informed through email.

### Abstract/Paper Submission date extended:

Submission of abstract: **05<sup>th</sup> May 2023**  
Acceptance of abstract/poster: **07<sup>th</sup> May 2023**  
Submission of full paper: **10<sup>th</sup> May 2023**

5. Mr. Rajender Singh (Assistant Prof.)

### Registration Committee:

1. Ms. Dimpal Chauhan (Assistant Prof.)
2. Mr. Prem Chand (Assistant Prof.)

## About The College:

Commitment to growth and living in harmony with nature for sustainable future are the core values of Government College, Jukhala. To follow these values in action and spirit, G.C. Jukhala came into existence in 2007 and since then it has been marking its way in academic excellence. It is situated at the base of the *Bandala* Range, with the river *Pushpbhadra* flowing close by. The college is a ten-minute walk through the fertile fields from the famous *Rishi Markandeya* temple which is known for the holy water spring having medicinal qualities. It is a general belief among the devotees that their pilgrimage will only be solemnized after taking bath in this holy water spring at *Markandeya*.

The college was bestowed with one of the most modern and well-equipped buildings that came up in 2012 and made its presence felt by providing education to the students around the Danwin Valley. The valley is known for the cultivation of maize, rice, wheat, and ginger. Besides these, the area is known for Mango and Guava orchards.

The campus of the college is spread on a vast stretch of land, consisting of sprawling lawns and a serene environment, and having half an hour's journey from the district head-quarter of Bilaspur town.

The institution is NAAC accredited and affiliated to the H.P. University vide notification 1/347/2007-HPU (Acad), and at present offers various undergraduate courses in the faculties of Science, Arts, and Commerce.
