

## 5.2 (iv) Plastic free campus

Claimed = 4points

Educational institutions need to actively contribute to the effort of banning the use of single use plastics. Students are the face of the Nation and they can be moulded and made aware and sensitized to imbibe good values for sustainable development. Our generation needs to understand the importance of passing safe environment to the future generation.

Himachal Pradesh government has banned the single use of plastic. Govt. College Jukhala is a plastic free campus. We aim to measurably reduce plastic waste and pollution in our campus and the area around us. Our institution also ensures that there is no use of any plastic material in the premises. To achieve this we have undertaken following steps:

- We sensitize students and staff on ways to avoid or reduce single use plastic in any form.
- We carry out awareness drives time to time to clean the campus so that no plastic is found in the college.
- We encourage students to avoid bringing non-bio-degradable plastic items to the college. They are asked to bring steel lunchboxes steel water bottles and cloth bags.
- We encourage students to sensitize their respective households about the harmful effects of plastics and make their households and habited region also 'plastic-free'.
- We have installed necessary alternative facilities like drinking water unit having sufficient and safe drinking water in 24 hours so that the students do not bring plastic water bottles in the campus.
- We are using steel glasses, plates and spoon in our offices and staff room.

## NOTICE

This is to inform to all the students, teaching and non-teaching staff of the college, that use of single use plastic is totally banned in the college. The following items are included in this ban:

- Plastic bags
- Single use plastic bottle
- Plastic cutlery and plates

Instead, use of cloth or paper bags, refillable water bottles and reusable cutlery or containers should be encouraged.

Let's work together to create a cleaner, greener and more sustainable environment.

  
Principal  
Govt. College Jukhala  
G. C. Jukhala
