Gender Sensitization Action Plan 2023-24

- Formation of gender sensitization committee in the institution for the implementation of the actions to increase gender equality and safety of female students.
- To ensure best use of system, staff resources to address grievances of girl students.
- To organize workshops and awareness programmes related to women empowerment, entrepreneurship and leadership.
- To ensure that our institution environment is congenial for girl students.
- Encouraging female students to participate more and more in all the activities.
