### **FACILITIES TO STUDENTS**

#### **Library**

The college library serves as a hub for academic resources, offering students access to books and journals. It provides a quiet space for studying and learning. Additionally, librarians offer support and guidance to students navigating the vast collection of resources available.

#### **Computer and IT Facility**

In today's digital landscape, proficiency in ICT (Information and Communication Technology) is no longer optional; it's essential. Our institution equips students with essential computing skills, ensuring they're proficient in areas such as digital literacy and software applications. We prepare our students to harness the power of technology to drive innovation and create meaningful change.

#### **Medical Room**

Medical room is a resource for students' health and well-being. It offers basic medical care, first aid, and support for minor ailments and injuries. It serves as a comforting space for students to seek assistance and advice on health-related concerns, promoting a safe and healthy campus environment.

#### **Ayush Garden**

The Ayush Garden is dedicated to promoting wellness and natural healing practices. It features a variety of medicinal plants, herbs, and trees used in Ayurveda, yoga, and other traditional healing systems. It serves as a peaceful retreat for relaxation and connecting with nature.

#### **Incinerator Machine**

Incinerator machines provide a safe and environmentally friendly way to dispose of used sanitary products. It helps maintain hygiene standards and promote sustainability by ensuring proper disposal of waste. This machine contributes to a more comfortable and hygienic environment for women on campus.

## **The Career and Counselling Cell**

The Career and Counselling Cell in college serves as a support system for students navigating their academic and professional journeys. It offers guidance on career paths, job opportunities, and skill development, helping students make informed decisions about their future. Additionally, the counselling aspect provides emotional and psychological support to students facing personal challenges or academic stress. Through workshops, seminars, and one-on-one sessions, the cell empowers students to overcome obstacles and achieve their goals.

## **Girls Common Room**

The girls' common room at college campus provides a dedicated space for female students to relax, socialize, and study in a comfortable and secure environment. This space fosters a sense of community among female students, allowing them to bond, share experiences, and support each other academically and personally.

## **Sports Facilities**

The sports facilities at college campuses offer students opportunities for physical activity, competition, and recreation. These facilities provide a space for students to engage in various sports and recreational activities, promoting physical health and well-being. Additionally, organized sports teams allow students to participate in team sports and develop leadership and teamwork skills. Overall, sports facilities at colleges contribute to a vibrant campus life and encourage a healthy and active lifestyle among students.

## **ICT Enabled Tools**

ICT (Information and Communication Technology) enabled tools are technological solutions that influence digital resources to enhance learning, communication, and productivity. These tools include software applications, online platforms, and digital devices that facilitate tasks such as research, collaboration, and data analysis. By incorporating ICT enabled tools into educational settings, students can access a wealth of information and develop essential digital literacy skills.

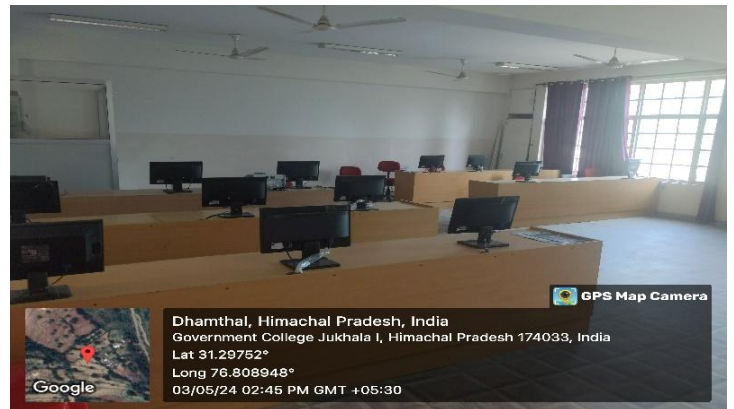

## **Examination Hall**

The college exam hall is a place where students demonstrate their knowledge and skills acquired throughout their courses. It's a space filled with concentration and determination as students sit down to take their exams. The exam hall symbolizes the culmination of academic efforts and serves as a testament to students' dedication to their studies.
